Information Sheet 18th Annual Law Enforcement Day Camp August 8th & 9th, 2019

Jackson County Sheriff's Office hosts an annual **Kid's Day Camp**. This camp is to establish a positive relationship between kids and Law Enforcement. Day Camp gives kids an understanding of law enforcement duties and assignments. Day Camp gives kids the opportunity to become familiar with deputies and officers who work in the area. We have volunteers from many other law enforcement agencies as well as local fire and emergency medical service departments at the camp.

At the camp we do many different activities to promote safety and awareness. To list just a few: boating, water safety and seat belt safety. There are other educational activities such as fishing, a wildlife skins and fur presentation and archery. The kids will also have some fun obstacle courses to run.
